The Idaho Golf Course Superintendents Association invites you to donate rounds with carts to the Idaho GCSA annual silent auction. Your participation would be greatly appreciated.

The proceeds from the silent auction help to fund the continuing education programs of the Idaho GCSA, as well as research applicable to the region. Both of these programs help our regional superintendents to provide the best playing conditions possible, within their budget. Because we have many low budget facilities in the region, it is important we keep our user fees as low as possible. We want to be inclusive for all to benefit from our programs.

If you have any questions concerning this program, or any of the Idaho GCSA programs, please contact our chapter president, Bryce Burton, (307) 887- 3448, or committee chairperson, Travis Rose (208) 761-4194.

We are grateful for the support of the turfgrass professionals in the Idaho GCSA region, and the turfgrass profession.

With gratitude,

Lori Russell  
Executive Director

*“The Idaho Golf Course Superintendents Association is dedicated to helping its members provide the best playing conditions in an environmentally friendly manner.”*
